Re: AASB Resolutions

Mr. Wooten,

I am writing on behalf of the Kuspuk School District Board of Education regarding the call for resolutions from AASB to local school boards.

The Kuspuk School District Board of Education wishes to emphasize the importance of all rural schools and the distinct cultures within predominately Alaska Native Communities. Further, small schools are the heart of rural Alaska and the closure of these schools not only impacts the region but also the students, their families and culture.

The Board wishes to relay their appreciation for being part of the resolution process and encourages AASB to support small rural schools.

Respectfully,

Susan L. Johnson  
Superintendent-Kuspuk School District
