

Harvey Hoffman II
Kuspuk School District

President Report

Welcome to the spring semester everyone! Happy New Year. I hope we all had a wonderful and safe holiday break. I am looking forward to getting back to the learning grind. We have in-service starting this week, and remote learning will begin next week.

The budget committee met on December 21, 2020. This meeting was more preliminary for what's to come in the upcoming months such as MKEA negotiations, next year's school budget, and CIP projects and their progress. We also discussed ideas for some type of fencing for the Kalskag playground. Afterwards, we sent out the benefits and salaries report from AASB for review, and an informal list of the board's past year action items related to CIP.

I would like to welcome Tracy Simeon to the district and board. In November, we had put out notice for the need to fill one of our seats for the year and we are fortunate for Tracy to express her interest in joining the team.

On behalf of Kuspuk School District, we express our condolences to the following:

- Gabriel Alexie of Crooked Creek
- Kayla Boots of Kalskag
- Ignatti James Sakar of Crooked Creek

We send our sympathy and comfort to the families and friends of those mentioned above.

This concludes my report. Thank you.
