

Harvey Hoffman II
Kuspuk School District

President Report

Greetings everyone. Welcome to September. The fall season is upon us and everyone is outdoors even more with moose hunting in full swing. We have some schools reopening today after a two-week lockdown. I know the students are eager to return and I hope everyone has a great day today.

It is unfortunate that we are still dealing with such a pandemic, but please stay strong, stay hopeful. In a recent webinar with AASB, they pointed out how this current pandemic is leaving everyone tired and fatigued. Schools all over the state and country are trying to make changes for this challenging start in the school year. They too, are reminding everyone to be kind and patient with each other.

Our schools and staff are doing everything they can for our students. We want our classrooms to be fully engaged once more. In order to do that, we learned all about our district's Smart Start Plan last month. I thank everyone for fully embracing the new guidelines, for they help ensure everyone's health and safety. We are adapting fairly well so far, and I encourage everyone to please keep the momentum going. You are all making a difference everyday.

On behalf of Kuspuk School District, we express our condolences to the following:

- Glen & Nus Kameroff of Kalskag
- Agnes Overton of Aniak/Wasilla
-

We send our sympathy and comfort to the families and friends of those mentioned above.

This concludes my report.

Thank you.
