Board Report

Submitted by: Justin Ward

In Aniak both the wrestling and volleyball have been doing phenomenal in competition. We recently had our Halloween carnival, which was a big success. The student government is planning to have a movie night in the near future.

Kalskag Grizzlies had their last home games of the season this past weekend they hosted Port Alsworth. The student council started decorating for our annual Halloween carnival that's going to be hosted today from 5-8. We're going to be wrapping up the decorating, today after school. The school is on a PM assembly today, to finish it up. Volleyball's season is coming to a close soon. Also, we agitatedly voted for presidency today from the electives that's running today, and Gary Johnson's our "president" with 55% votes. *Submitted by: Marissa Abarca*

JJSS is planning a December basketball tournament, getting our student store school order in, and ordering North Star sweatshirts to sell. *Submitted by: Tryston Macar, student body president*

Did not get a report from Chuathbaluk, Sleetmute, and Stony River this month
