Board Report

Submitted by: Justin Ward

Since our last board meeting we had a local wrestler take fourth at state, which was myself. The Aniak basketball teams have been doing well in competition. Just recently we participated in the Kalskag Classic with the girls team taking first and the boys team taking second.

The Kalskag Classic just got done and over with. The boys went on a 9 day road trip today. There's a city league tournament this weekend, that's being hosted by the student government I believe.   Submitted by: Marissa Abarca

This quarter we did a pizza/game night and donated the money to the Leukemia and Lymphoma Society. We raised about $350. That night we sold pizza and ice-cream floats along with some of the student store things. We all had fun playing board games and some of the kids played on the Wii. Next, we have students going to a basketball tournament in Chuathbaluk on February 9-10th. The Sleetmute team going to the basketball tournament is Desirae Morgan, Tatianna Stern-Morgan, Rasuan Stern-Morgan, and Honey Andereanoff. Finally, we have students doing Battle of the Books. Our K-2 students are Tamara Stern-Morgan, BJ Derendy and Kiley Hayden. Our 3-4 team consists of Kiley Hayden and Kayla Effemka. Finally, we have our 5-6 team which is Honey Andreanoff and Desirae Morgan. They are getting ready for their District Battles on February 7-8th. Submitted by: Ashley Alexie

Here in JJSS we have our culture class back, and art class. We have two new teachers Mr. and Mrs. Spencer from KLG. Submitted by: Tryston Macar

This month Stony welcomed Ms. Laura Murph to our staff and she is a GREAT asset. She is teaching Science and Social Studies, as well as helping with computer learning and anything that needs help. The Upper School is getting ready for their road trip around Alaska this Spring Break and the Elementary students are working on getting all their skills up to grade level. Submitted by: Debi Rubera

Did not get a report from Chuathbaluk this month
