

Kuspuk School District

Working together to achieve every student's highest potential

Upper Kalskag | Lower Kalskag | Aniak | Crooked Creek | Chuathbaluk | Stony River | Sleetmute

Superintendent's Report September 11, 2018

Staffing:

1. We are still searching for an additional teacher at JJSS

Superintendent Travel (In - District):

1. Tentative plans to travel to Stony River September 4-6

Superintendent Travel (Out of District):

1. September 23-30 (Fall Superintendent Conference in Anchorage)
2. November - (½ day 14) 15,16, 19, 20, 21 - 5 ½ days total (Will be back in the office Nov. 26)

School Construction Project:

The Construction Committee, (Wayne, Harvey, Todd, Jeromy, and myself) are close to choosing a Project Manager for new school construction. Once the Project Manager is chosen, we will move forward with setting up a Steering Committee. The Steering Committee will consist of the following:

1. Board Members - Wayne, Harvey
2. Aniak Principal - Todd Boynton
3. Maintenance Director - Jeromy Hoeldt
4. Business Manager - Martha Morgan
5. Teacher Representative - Okie Morgan & Judy Hager
6. City Manager - Kevin Toothaker
7. Tribal Member -
8. SAC Member -

Purchases:

We need to purchase a content filter for our internet that can be used to restrict access to websites about pornography, drugs and alcohol, suicide and gore. Content filtering works by specifying character strings that, if matched, indicate undesirable content that is to be screened out.

Training Opportunity:

- One-day training for ANA grant writing with Mr. Richard Perry, who represents Three Star Enterprises. Possibly held at the District Office on September 12.
 - Aniak Clinic
 - Laura Simeon - Aniak Tribe
 - Darren Deacon - AVCP
 - Kevin Toothaker - City of Aniak

Concern:

The fuel company that delivers our gasoline mentioned that they would not fuel our gasoline tanks next season/summer.

The two reasons I have heard.

1. Single wall tanks.
2. No containment pit.

Ideas from Severin:

1. Build a Gasoline tank farm near the current diesel tanks at the high school and run a pipe line to the fueling station at the river.
2. Shut down the current fuel station and tear it down.
 - Send Kalskag's Yellow Van to CHU and use that as their bus.
 - Send Kalskag's two white trucks to Aniak, one for the principal and one for the Superintendent. Sell the Red and Blue Suv's
 - Buy two new diesel truck and a diesel van for Kalskag.
 - Kalskag would only need gas for the 4wheeler and boat travel. We could set up an account with the City.
