

School Report Card for 2017-2018 School Year

School: Auntie Mary Nicoli Elementary

Grade Span: PK-5

Overall Index Score: 20.57

Title I School: Yes

Accreditation: No

District: Kuspuks School District

School Enrollment: 76

School Designation: Universal Support

Title I Program: School-Wide

A Title I school receives federal money to support low-achieving students. A Schoolwide Title I Program uses the money to improve the education for all students. A Targeted Assistance Title I Program uses the money to provide help for students who need it most.

This School Report Card presents information about the school's performance for the 2017-2018 school year. The Performance Evaluation for Alaska's Schools (PEAKS) assessment in English Language Arts and Mathematics were given for the first time in spring 2017 to students in grades 3-10 (PEAKS was given to grades 3-9 during the 2017-2018 school year). These two new assessments replaced the former Alaska Measures of Progress (AMP) assessments in English Language Arts and Mathematics. Students in grades 4, 8, and 10 also took the Alaska Science Assessment.

As part of the ongoing implementation of Alaska's Education Challenge, the Department of Education and Early Development (DEED) is working with school districts to support success in every school. Utilizing Alaska's plan for the Every Student Succeeds Act (ESSA) as a strategy for closing our achievement gaps, a new accountability system is being implemented to help celebrate success and identify areas where additional support is needed, with the goal of increasing achievement for all students. The Overall School Index Value is an important piece of this new System for School Success, which provides information about how each school is supporting its students.

For 2017-2018, schools received a System for School Success Report. The one-page System for School Success Report contains general information and school demographics; grade K-6 Full Academic Year (FAY) participation rate, indicators, and the K-6 index value; grade 7-12 FAY participation rate, indicators, and the 7-12 index value; the overall school index value; the school's designation for level of support; and the school index values for the nine different student groups, also known as subgroups.

More information about the accountability system for schools can be found on the [Alaska Department of Education & Early Development website](https://education.alaska.gov/) (<https://education.alaska.gov/>).

Overall School Index Value

¹ FAY is defined as continuous enrollment from October 1 to the first day of the general assessment window and represents the number of students in the grade span that were enrolled in the school for a Full Academic Year.

² If the participation rate is less than 95%, the denominator used to calculate % proficient will reflect 95% of the school's Full Academic Year students for that content area and grade span.

³ If a school has a student group index value equal to or less than the TSI Performance Threshold, the school is designated as a Targeted Support and Improvement (TSI) School for that student group.

* Aggregated data (multiple years) used to calculate score. ^ Fewer than 5 students tested, data suppressed to maintain student confidentiality.
