### President Report

Greetings and Happy May everyone. Students are currently turning in the last of their work, Class of 2020 graduation ceremonies are taking place, river ice break up has come and gone, and summer vacation is approaching. Before we bust out the sunscreen and bug dope, let us finish the year strong.

I would like to express my gratitude to everyone in our district for making it through another year. To our students, parents, teachers, aides, secretaries, cooks, maintenance workers, custodians, bus drivers, principals, administrators, district office workers, volunteers, coaches, and everyone else we network/partner/collaborate with! We all should give ourselves a nice pat on the back. Each and every one of you helped us succeed and got us to where we are today –despite any of the challenges, setbacks, hurdles, obstacles, pandemics, etc. As we take a good and honest look back on this year, may we evaluate, learn, improve, and better prepare for the next semester.

For those of you departing this year, I thank you all for your services with Kuspuk School District. As one chapter ends, a new one begins. Wherever your journey may lead, I give you my best wishes for all of your future endeavors.

### Condolences
