

Upriver Schools Board Report
Steven Porter – Principal
31 March 2019

K-12 Attendance (As of 31 March 2019)

CVSS: 22 JJSS: 19 JESS: 17 GMS: 11

The upriver schools are now into Q4 of the year. There are 8 weeks left until the end of the 2018-19 school year.

Since the last report, SKIKU was in the district, we have held the Upriver basketball tournament at JESS, had Spring Break, finished WIDA testing and are now ready to start PEAKS testing over the next two weeks.

As always, SKIKU was a huge success with our villages. This year, they were in CVSS, JJSS and JESS. Unfortunately, due to staffing issues, SKIKU was not able to make it to GMS. There is always hope for next year that they will make it to GMS as well as the other 3 schools.

As for the basketball tournament, 8 students from JJSS and CVSS joined 5 students from JESS for a series of 3 on 3 games over 2 days. Even with the poor weather that has hampered upriver travel all year long, we were able to get the students back to their home schools according to schedule.

Other than that, it has simply been business as usual for the upriver schools.

Steve Porter
Upriver Principal, KSD
