

# STUDENT SERVICES REPORT

## Enrollment as we go into October Count

Currently our count is about 15 students more than it was a year ago. We based our current year budget at about 345 students. As you can see currently we are 12 students ahead of that number.

### Current Count as of 10/3/2017

## 2017 Cross Content Conference in Fairbanks

I had the opportunity to attend the Alaska Cross Content Conference in Fairbanks this past week. In attendance were Todd Boynton -AJSHS, Elaine O'Rourke - District Office, Jill Exe - JOGES, Carlyn Wooten - JOGES, Shane Howe - GMSHS, Sheree Smith- JESS, Angela Hayden - JESS. It was a very useful event for the classroom teacher. Very informative for district wide information as well. I sat in on a variety of sessions which included some hands on actives pertaining to career & technical education, science and mathematics. Also connected with Alaska Fish & Game in bringing in some lessons into the district pertaining to Salmon and the Woodland Bison. We hope to integrate info with some of these sessions into our January Inservice.
