Aniak reported by Jena Boelens

- Volleyball started coached by Harvey Hoffman, our first games are scheduled for Sept. 27, location TBD.
- Last Friday Aniak hosted the annual Moose Trot cross-country race. Students from all over the district participated. It was a great way to end the season!
- Student government started here at the high school and is being led by 3rd grade teacher Jodi Darling. Elections for officers will be determined on Thursday (Sept 19).
- We are excited for the new high school English position and we hope it gets filled soon. Our teachers and students are all hurting with the teacher shortage. The teachers have 12+ classes in the grade book that they have to keep up to date. As students we see the effects of this in the classroom, because classes must be combined in order to accommodate the growing student population with only 3 high school teachers in the building.

Sleetmute reported by Kiley Hayden

- This month and the month before we have sent students to cross-country in Kalskag and Aniak. We also had a cross-country race here in Sleetmute.
- Next weekend we will be having a Basketball Tournament for the community.
- We have been enjoying our electives doing fur sewing, robotics and coding.
