

STUDENT SERVICES REPORT

Double EXCEL 10s in Anchorage

The EXCEL 10 is designed to give students a taste of different career industries to get them thinking about their future career paths. The activities included in EXCEL 10 push students to step outside of their comfort zones and teaches them to effectively communicate with adults and peers in business environments. Students went on job tours at GCI, Providence Hospital, and The Alaska Scientific Crime Detection Laboratory. Below are some highlights of what the Kuspuks School District students completed.

• Completed Drug and Alcohol Prevention Training and Effects on Babies

- Completed Suicide Awareness and Prevention Training
- Completed a Job Application, Resume, Cover Letter, and Mock Interview
- Job tours at GCI, Providence Hospital, and The Alaska Scientific Crime Detection Laboratory
- Learned personal social skill such as: Hand shakes, eye contact when speaking, and active listening.
- Personal Learning Career Plan on AKCIS
- Alaska State Drivers Permits
- Students earned .5 high school credit in: Career Development Life Work Planning.

Here are a few quotes from students who completed our end of session survey!

"I like EXCEL and I am willing to come again."

"EXCEL 10 is fun and others should come so they can learn about what to do in their future."

UAF Mini Bridging Session

The Mini-Bridging Sessions are designed to give students a taste of what college life is like by having the students immersed in campus life. This session ran from February 12-16th. Below is a list of everything the students completed while in Fairbanks:

- Met with admissions and completed UAF application
- UAF main campus tour
- Pipeline Training Center tour for Welding and Process Technology
- Community and Technical College tour for Culinary Arts, Welding, Automotive Technology, Nursing, Information Technology, Construction Technology, Aviation Maintenance, and Heavy Duty Diesel
- Firefighting and Paramedicine tour
- Met with a UAF student panel where students asked questions about UAF
- Sat in a BA 151 Intro to Business class
- Met with Rural Student Services Advisors about classes for next year
- Students took Accuplacer for writing placement
- Filled out UA Scholarship
- Learned about scholarship opportunities
