

Instructional Support Coordinator Report

Submitted by Shari Cobb

April 11, 2017

Testing

- All ACCESS testing has been completed for our LEP students and all materials have been accounted for and returned to Data Recognition Corp for scoring. Scores should be sent to the district over the summer. Score reports will need to be shared with principals and filed in perm files in August. Parent Score Reports will need to be shared in August, as well.
- PEAKS Testing began on March 28 and ended on April 7. As of today's date, Friday, March 31, all sites received all materials and had completed all regular testing for ELA, Math, and Science. All materials were due back to the D.O. by Friday, April 7 and then due to the state by Friday, April 14.
- STAR Benchmark Assessments have been completed for the 2016-17 school year. The Benchmark windows for this year were:
Fall – 9/7 – 10/7
Winter – 11/28 – 12/21
Spring – 2/27-3/24

A Customizable Progress Report for both Reading and Math has been provided to show Student Growth at each school site. The report is disaggregated by school and grade level. F16 GE is Fall 2016 Grade Equivalent. W17 GE is Winter 2017 Grade Equivalent. Change indicates if the overall grade level at each particular school had student growth (shown with a plus indicator) or student loss (shown with a minus indicator).

Early Literacy is a score for Kindergarten and 1st Grades at most sites and is not included in the available report.

FAMILY Grant/Pre-K

- FAMILY Grant funding will end in May
- All FAMILY Grant paperwork from District Coordinator has been submitted to the state coordinator on-time when it is received by deadline for Pre-K staff.
- All sites should have materials necessary to continue Pre-K despite state funding issues.

ELA Materials from Journeys (Larry's report should cover this)

District: Kuspuk School District
