Military Entrance Scores

These are Percentile Scores
50 is average

Anything above 50 is above Average.
Anything below 50 is below Average.

Verbal Skills Score is a combination of PC & WK.

Math Skills Score is a combination of MK & AR.

Science & Technical Skills Score is a combination of EI, GS and MC.

Military Entrance Score needs to be about 30 to get into most of the branches of the military.

Shared Responsibility for High Student Performance

Parents/Guardians Will:

- See that children attend school on a regular basis
- Call the school if a child is absent or tardy
- Take an active interest in what my child is studying, what assignments they have, and when they are due. I will work with children if assignments are not completed.
- Attend parent teacher conferences
- Encourage good attitude towards school
- Make sure my child gets enough sleep at night
- Support the school discipline policy
- Make a time for homework and check my child's homework regularly
- Do my best to provide a study place for my child that is well lit and quiet
- Let my child know how important education is to him/her and to myself
- Read to my child, let my child see me read, and encourage reading in the home regularly
- Communicate with my child's teacher on a regular basis

Students Will:

- Attend classes on a regular basis and on time
- Be responsible for completing all assignments
- Come to class prepared
- Respect each other's space
- Be courteous to one another
- Encourage other students in their classes/school projects
- Study and do my best
- Take pride in myself, school, education, and community
- Follow school rules and school district policy
- Treat everyone with respect and dignity
- Turn assignments in on time
- Listen to teachers and follow their directions
- Do my homework
- Get up early enough to eat breakfast and get to school on time

Teachers and Schools Will:

- Follow the Child Centered Educational Model, focusing on the individual needs of each student
- Treat students, fellow staff members, parents and community members with respect
- Respect local knowledge and traditions
- Provide prompt and fair discipline
- Provide appropriate and meaningful homework assignments for students that supports and extends classroom instruction
- Supply students and parents with clear assignments and evaluations that give appropriate feedback for their development as learners
- Maintain high expectations of students, both behaviorally and academically
- Provide a safe secure learning environment
- Provide ongoing and appropriate information to parents to assist them in supporting their child/ren's learning
- Quickly respond to parent's requests and concerns
- Provide extra assistance if student needs academic help
- Encourage students to do their best; challenge students to think and be creative

Student Goals for Achievement: (for HS Students)

As the student, I have the greatest responsibility for passing the HSGQE and completing the KSD graduation standards. To do this, I will:
