Hi Phyllis,

I hope this message finds you well.

I am following up on Tier 1 grant application #11610 we received for the Kalskag Playground Equipment. My colleague Christopher Perez requested I follow up with you.

In regards to additional funding, have you received confirmation that the Kuspuk School District would match a Rasmuson Foundation grant of \$25,000? Please get back to me by Thursday, April 26 if this is still the case or not. If we have not heard back by that time, I recommend withdrawing the Tier 1 grant application and welcome you to apply when ready.

Thank you,

Jenny Miller
